TIPS:

- Passwords must be between 15 and 20 characters long.
- Passwords can contain alpha and numeric characters.
- The same character cannot occupy more than two consecutive positions
e.g. baseballfans023 is acceptable
 baseballfans000 is not acceptable, because “0” is repeated three times.
- You will be required to change your password every 180 days for security purposes.
- If you ever forget your password, you can use the *Forgot Password* link at the Provider Sign In screen to reset it online.
